

SAVE Distinguished Service Award

Description

This award is established by SAVE to honor individuals who, through their generosity of time and efforts, have contributed significantly to the betterment and advancement of SAVE. The Award is reserved for individuals who have provided significant support to SAVE for a period of at least 5 years.

Award Criteria

- 1) The Distinguished Service Award may be bestowed upon an individual or group of individuals who have provided outstanding, long-term service to SAVE courses, seminars, symposia, and/or general operations.
- 2) This award may be given based on either technical or operational contributions.
- 3) No individual may receive the Award more than once.
